

The General Purpose Mailing Container or GMP for
short

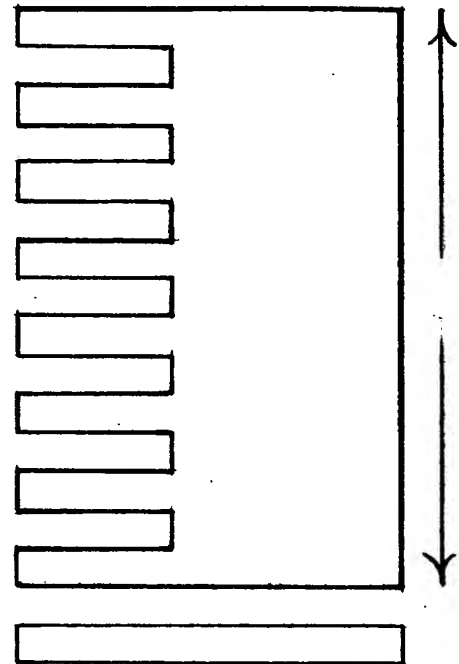

BEST AVAILABLE COPY

Measurements of Removable Shelf and Divider

Divider

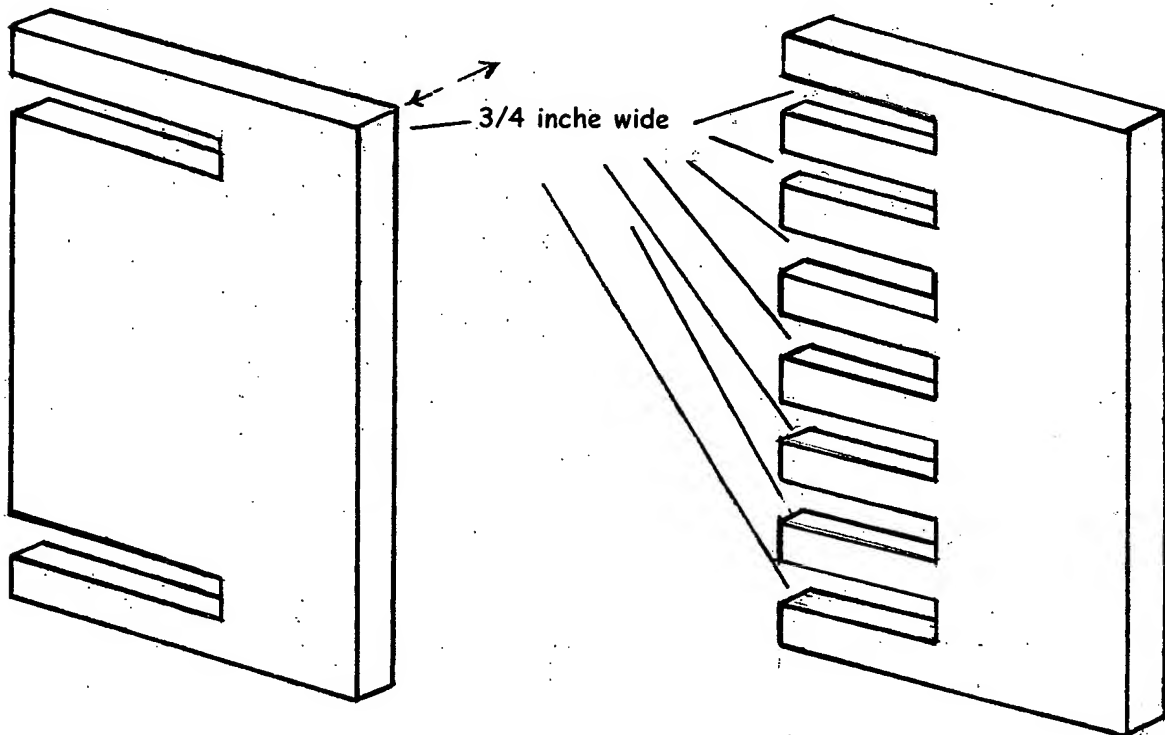

Removable Shelf

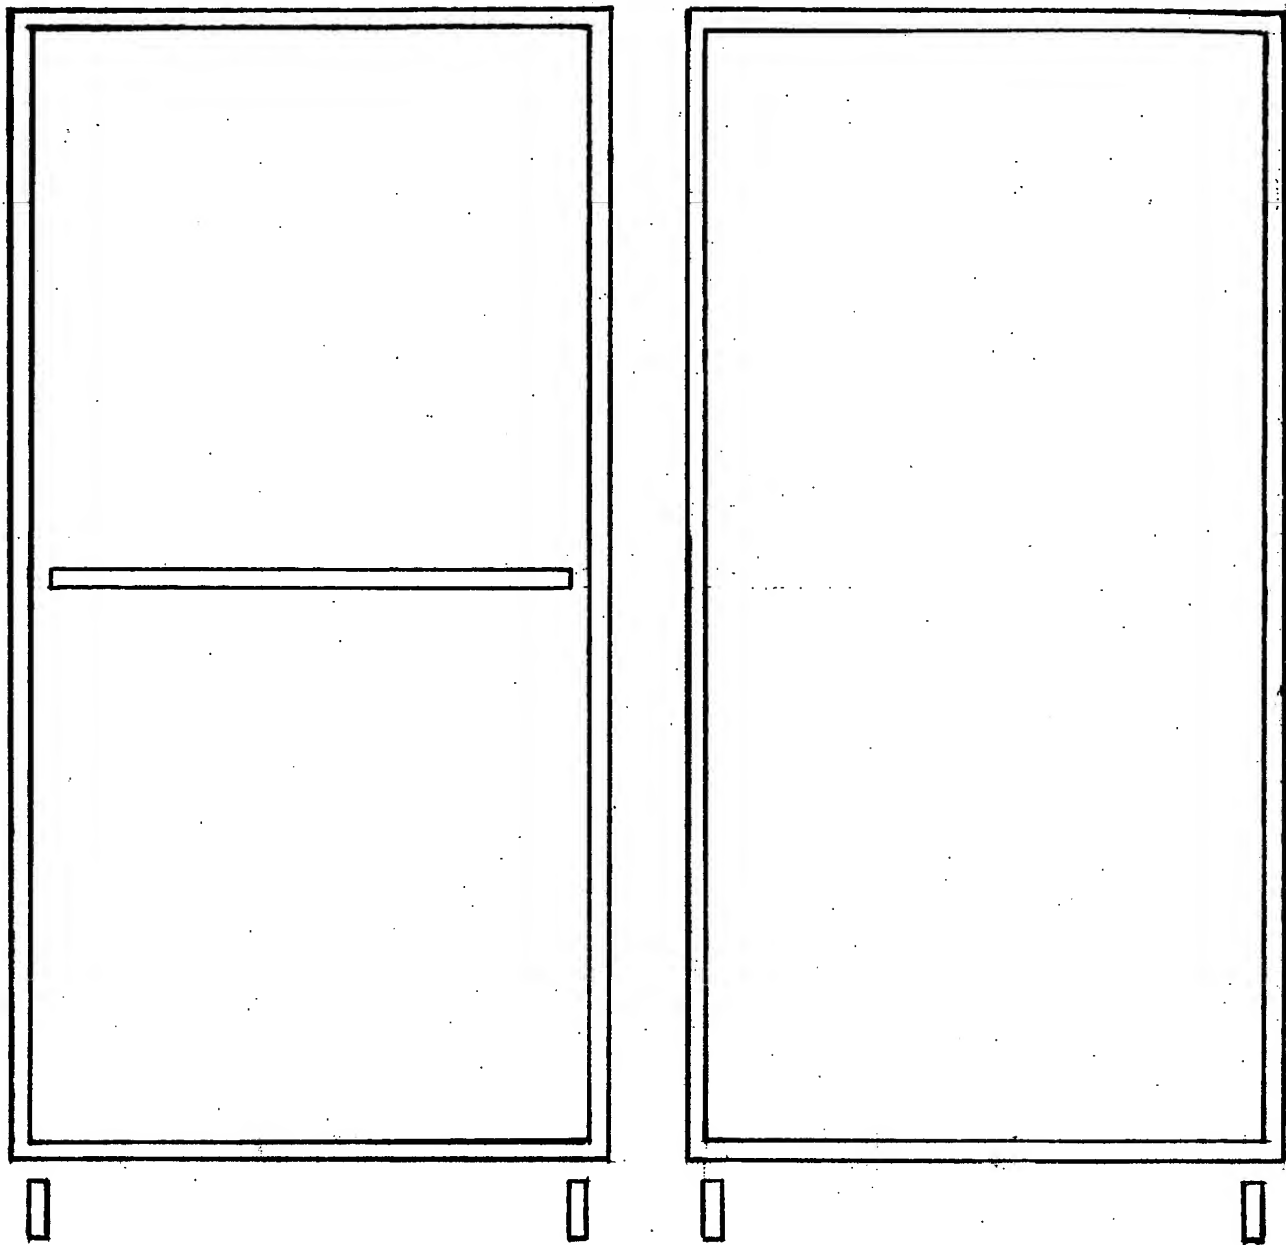

Removable shelf is 3 feet $\frac{3}{4}$ inches wide by two feet.

Divider is 2 feet 7 inches long by 1 foot.

Width of shelf and the dividers are $\frac{3}{4}$ inch

Its Purpose

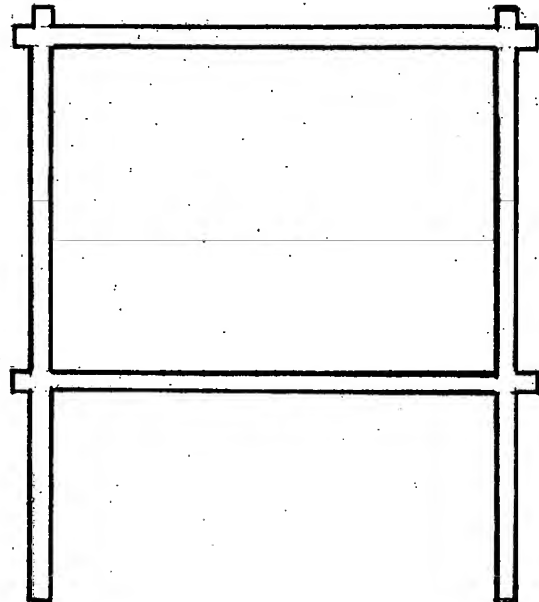

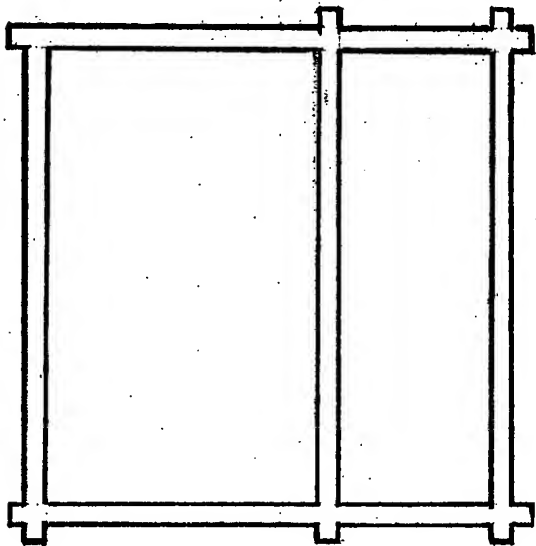

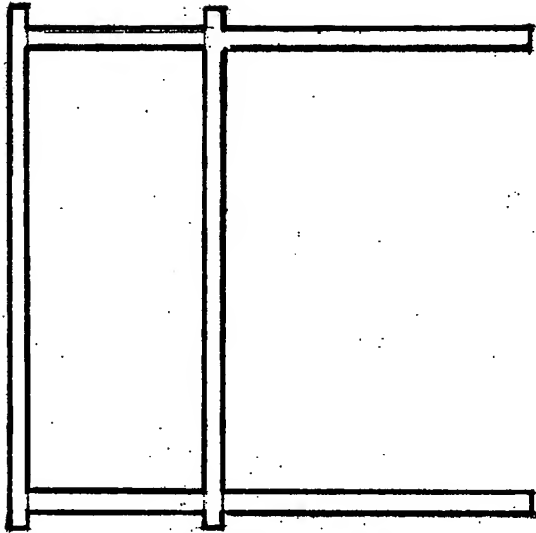

There are two types of General Purpose Mailing Containers. One carrier has a built in middle shelf while the other carrier that is same in appearance does not.

You either run out of one or the other.

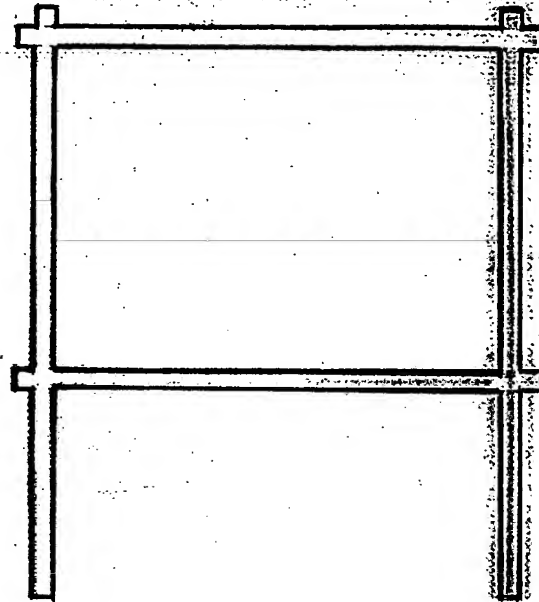

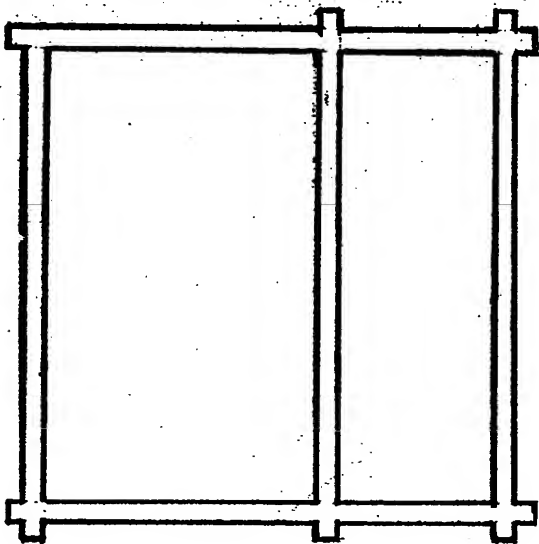

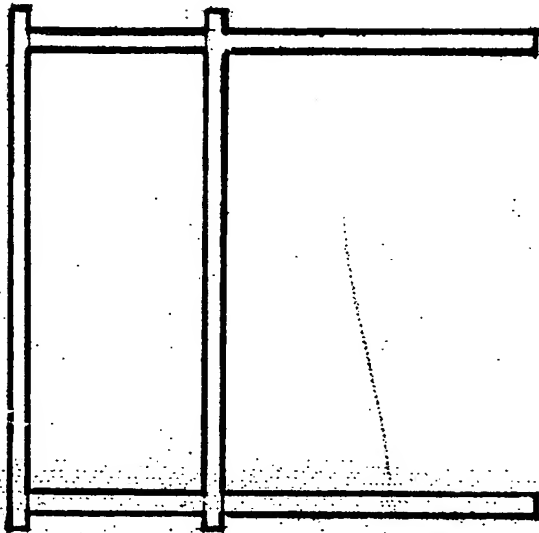

Page 2

With these removable shelves and divider inserts, a equal number of GMP's can be transformed into space saving carriers.
